## Museum Tours

### Lehigh Valley Heritage Museum, Allentown

1 hr    Up to 50    Year-  
visitors    round

Guided adult tours explore the entire museum, including both the Lehigh Valley exhibit and the changing exhibits.

### Special Museum Exhibits

• **Presidential portraits**, rare campaign buttons, authentic commemorative pieces, and even original items related to individual presidents tell the story of the American presidency. A local component explores the many American presidents and presidential candidates who have visited the Lehigh Valley. **Tours available beginning October 15, 2016.**

• Discover the **geology** of the Lehigh Valley and how it shaped the lives of local Native Americans. Explore how **archeologists** learn about Native American life. **Tours available beginning April 1, 2017.**

## Historic Site Tours

**Historic Trout Hall**    1 hr    up to 50 visitors    April-Oct.

**Built in 1770**, Historic Trout Hall is a colonial stone mansion built by James Allen, son of Allentown's founder. *Step into the world of colonial and Revolutionary War-era America.*

### Claussville One-room Schoolhouse

1 hr    up to 30  
visitors    April-  
Oct.

Built in 1893, this one-room schoolhouse teaches visitors about education in the days of the "3 Rs"—reading, 'writing, and 'rithmetic. Hear the school bell ring!

**Haines Mill, Cetronia, PA** 1 hr    up to 50 visitors    April-Oct.

Your tour takes you back to the 1920s.

### Historic 1756 Troxell-Steckel Farm, Whitehall Twp., PA

1½    up to 50  
hr    visitors    April-  
Oct.,  
Dec.

*Experience an 1842 Pennsylvania German farm* as you explore an authentic farm house and historic barn displaying Pennsylvania German furnishings, folk art, and tools of the era. Special holiday tours available early December.

### Lock Ridge Furnace, Alburdis, PA

1 hr    up to 50  
visitors    April-Oct.  
(weather permit-  
ting)

Twelve-hour shifts, hot dangerous work, and company houses tell *the story of the Industrial Revolution*. Explore the lives of 1910 ironworkers as you tour an iron furnace and company town from a vanished era.

### Saylor Cement Museum Coplay, PA

1 hr    up to 50  
visitors    April-Oct.  
(weather per-  
mitting)

Lehigh County resident David O. Saylor earned the first American patent for Portland cement, the type still used today. *Learn how Lehigh Valley cement built America's iconic cities.*
